PROFILE

Accomplished ICT professional with 4+ years of experience in diverse areas of Information Technology. Skilled in software development, intranet administration, cybersecurity, cloud computing, ICT project management, helpdesk support, ICT infrastructure, database administration, and digital learning technologies. Seeking opportunities to apply technical and creative skills in a dynamic IT and eLearning environment.

EXPERIENCE

Learning Designer – SkillCat

April 2024 – July 2025

- Developed e-learning modules, online courses, and interactive simulations using Articulate Storyline 360 and Rise, deployed via Moodle LMS.
- Designed engaging storyboards and produced digital learning assets using After Effects, Premiere Pro, Vyond, Canva, and Photoshop.
- Managed and maintained LMS platforms, ensuring SCORM/xAPI compliance and quality assurance testing before deployment.
- Collaborated with instructional designers, SMEs, and IT teams to deliver accessible (WCAG-compliant) and impactful learning solutions.
- Developed medical and technical training modules that simplified complex concepts for learners.
- Supported blended learning through VILTs, ILTs, and OLTs.
- Provided technical support and troubleshooting for LMS and course delivery.
- Researched and integrated emerging tools like Figma, Audacity, and AI-powered platforms.
- Demonstrated strong project and time management skills while working remotely with cross-functional teams.

ICT Instructor – Angaza Center NGO

Sept 2023 – April 2024

- Trained students in web and mobile application development projects.
- Designed training content, manuals, and visual materials for ICT and digital literacy.
- Delivered workshops, group training, and technical demonstrations.
- Provided IT support, infrastructure management, and troubleshooting.
- Researched and incorporated new tech trends to improve training programs.

ICT Assistant – Macheo Children's NGO

June 2022 – June 2023

- Supported software development and database administration.
- Managed user accounts, access control, and IT infrastructure.
- Installed and configured Office 365 and other enterprise applications.
- Provided **helpdesk, cybersecurity, and technical troubleshooting support.**

- Developed dashboards and reports using **Excel, Power BI, and Python (Anaconda)**.

ICT Assistant Intern – Macheo Children’s NGO *Sept 2021 – Mar 2022*

- Supported network administration and IT infrastructure.
- Delivered technical troubleshooting and maintenance support.

Computer Trainer (Volunteer) – Ahero Multipurpose Development Training Institute
Jan 2018 – Apr 2018

- Trained learners on G-Suite/Google Workspace applications.
 - Delivered practical training on Microsoft Office Suite.
-

EDUCATION

- **Bachelor of Science in Information Technology**, Mount Kenya University (May 2018 – Jul 2022)
 - **Kenya Certificate of Secondary Education**, Ramba High School (2014 – 2017)
-

SKILLS

Technical & ICT Skills

- Simulation Development: Articulate Storyline, Moodle, Unity 3D.
- Creative Tools: **After Effects, Premiere Pro, Canva, Photoshop, Figma, Audacity, AI-powered tools.**
- Programming: PHP, Dart, JavaScript (ReactJS, NodeJS, ExpressJS, MERN Stack), Flutter, WordPress.
- Networking: CompTIA Certified Network+; LAN/WAN infrastructure deployment and support.
- Database Administration: SQL Server, MySQL, MongoDB, Firebase.
- Data Analysis: Excel, Power BI, Python (Anaconda), SQL queries, data migration.
- Version Control: Git, SVN, Mercurial
- Cloud & DevOps: AWS, Docker, Kubernetes, JamStack (Vercel, Render, Netlify). □

Core Competencies

- ICT Infrastructure & Incident Management
- Cybersecurity & Information Protection
- Software/Hardware Troubleshooting & Helpdesk Support
- Agile & ITIL-based ICT Project Management
- Digital Learning Asset Development
- Collaboration with SMEs & stakeholder engagement

Functional Skills

- Detail-oriented with strong documentation skills.

- Goal-driven, adaptable, and creative problem-solver. Strong teamwork and independent working ability.

2

CERTIFICATIONS

- CompTIA Network+ Certification (Aug 2023)
 - ITIL 4 Fundamentals – Essentials of IT Service Management (Jan 2024)
 - System Administration (Microsoft & LinkedIn, Aug 2023)
 - Help Desk Handbook for End Users: Mobile, Networking, Security, Troubleshooting (Apr 2024)
 - Data Protection Policy Training – Macheo NGO (Apr–Jun 2022) □
 - Google Associate Android Developer (Sep–Dec 2019)
-
